★ OFFICIAL SYSTEM MANUAL • CLIENT EDITION

Aaradhya Gruh Udyog MLM Backend User & Verification Manual

A clear, step-by-step handbook showing how to check the 1:3 placement tree, inspect distributor downlines, move members, approve KYC, and verify commission payouts.

1:3 Matrix	752 Downlines	Zero Dummy
STRICT 3-BRANCH HIERARCHY	100% REAL NETWORK	M1..M13 PLACEHOLDER CODES REMOVED

Platform: Kharchdaan.com Direct Selling Core
Client: Aaradhya Gruh Udyog Management

Top ID Root: C22020008 (Nimesh Jagirdar)
Version: 2.0 • Updated October 2026

1. Quick 5-Minute Client Verification Checklist

Use this simple checklist to test and verify every part of your backend MLM system in under 5 minutes. You can check off each item as you verify it on your computer:

🌐 **Where to Open the System:**
Open your browser (Google Chrome or Microsoft Edge) and navigate to:
`http://127.0.0.1:8000/admin/mlm/tree` (or your live production admin URL).

DONE	WHAT TO CHECK	EXACT ACTION TO PERFORM IN BACKEND	EXPECTED RESULT ON SCREEN
☐	**1. Top Root Card**	Look at the top center card of the visual tree canvas.	Card shows 👑 **Nimesh Jagirdar (C22020008)** with **752 DL** and "Master Root".
☐	**2. Level 1 Pillars**	Look at the 3 cards directly below Nimesh Jagirdar.	Left: **Janakben Bihola (C22010003)** [291 DL] Middle: **Niruben Zala (C22020001)** [252 DL] Right: **Gaurav Agarwal (C22030018)** [206 DL]
☐	**3. No Dummy Codes**	Scan all visible cards at Level 1, Level 2, and Level 3.	**Zero** dummy codes like `M2, M3, M4...`. Every card displays a **real human name**.
☐	**4. Auto-Expand**	Refresh the page (press `F5`).	Levels 1 and 2 expand automatically without having to click anything.
☐	**5. Expand / Collapse**	Click the orange `+` or `-` button at bottom of any card.	Slots expand/collapse smoothly. Click **L3** to see Level 3 network.
☐	**6. Search & Jump**	In the search box, type `Gaurav` or `C22030018` and click **Find**.	Dropdown displays result. Clicking it scrolls directly to Gaurav Agarwal.
☐	**7. Info Drawer**	Click the blue **Info** button on any card.	Right side drawer slides out showing Total Income, Sponsor, KYC, and Phone.
☐	**8. Focus Subtree**	Click the orange **Focus** button on Janakben Bihola's card.	Tree isolates Janakben as root. Click **Back to Top Root** to reset.
☐	**9. Move Preview**	Click **Move Member** on any card to test the preview.	Form loads. You can preview changing slots without saving until confirmed.
☐	**10. Sponsor Network**	Click **Sponsor Network** in the top header.	Direct referral tree opens showing who directly sponsored whom.

✨ **Verification Completed?** Once all 10 boxes are checked, your system is fully verified, 100% synchronized with the client master Excel sheet, and operating in strict 1:3 ternary compliance!

2. How to Read and Check Any Card in the Tree

Every distributor card in the visual tree provides essential business information at a single glance:

Card Anatomy Example (Detailed View Mode):

- **Slot Badge:** Shows LEFT, MIDDLE, or RIGHT position.
- **Downlines (DL):** Total number of distributors sitting anywhere below this person. (e.g., Janakben has 291 total downlines).
- **Initials & Name:** Real human distributor name and initials (e.g. `JB` for Janakben Bihola).
- **Customer ID:** Unique member code (e.g., `C22010003`).
- **Sponsor Snapshot:** The distributor who directly referred them into the business.
- **Info Button:** Opens the full side drawer with phone, address, and KYC.
- **Focus Button:** Zooms in to inspect just this branch.

How to Check Specific Levels

LEVEL 0 The Top Root Leader

Nimesh Jagirdar (C22020008) is the Master Root. He has no placement parent and no sponsor. His downline counter reads **752 DL**, which accounts for 100% of all real active distributors in the company.

LEVEL 1 The 3 Pillar Leaders (Left, Middle, Right)

Directly below Nimesh Jagirdar sit the 3 greatest distributor leaders in Aaradhya Gruh Udyog:

- LEFT SLOT: **Janakben Bihola (C22010003)** • Team: 291 Downlines
- MIDDLE SLOT: **Niruben Zala (C22020001)** • Team: 252 Downlines
- RIGHT SLOT: **Gaurav Agarwal (C22030018)** • Team: 206 Downlines

Note: 291 + 252 + 206 + 3 leaders = exactly 752 total members!

LEVEL 2 The 9 Leader Pillar Teams

Clicking the **L2** button opens all 9 Level-2 children:

- Under Janakben Bihola: **Bhanu Vaishnav** (Left), **Prafulla Shrimali** (Middle), **Hiral Rajput** (Right).
- Under Niruben Zala: **Parth Zala** (Left), **Sharmisthaben Mehta** (Middle), **Harsha Sheth** (Right).
- Under Gaurav Agarwal: **Sushilaben Agarwal** (Left), **Tripti Agarwal** (Middle), **Devang Raval** (Right).

3. How to Make Modifications in Backend (Step-by-Step)

Whenever management needs to reorganize positions, move a leader, edit customer details, or approve KYC, follow these exact step-by-step procedures:

Modification 1: Moving a Member to a Different Position

ACTION 1 How to Move a Distributor to Another Leg or Parent

1. Open **MLM Management > Placement Tree** (`/admin/mlm/tree`).
2. Find the member you wish to move. Click their blue **Info** button.
3. In the side drawer, click the orange **Move Member** button. (Or visit `/admin/mlm/tree/move/{id}` directly).
4. In the **New Parent** search box, type the Name or Customer ID of the person you want them to sit under.
5. Select an available slot: LEFT, MIDDLE, or RIGHT.
6. Click **Preview Movement**. The system will check:
   - Is the slot open? (Yes/No)
   - Is there any loop? (Protected: you cannot place a parent under their own child).
7. Click **Confirm & Apply Move**. The move is complete! The distributor and their entire downline team will instantly update on the live tree.

Modification 2: Editing a Member's Phone, Name, or Address

ACTION 2 How to Update Member Profile Information

1. In the left sidebar, click **MLM Management > Members** (`/admin/mlm/members`).
2. Use the search bar at the top to type the member's Customer ID, Name, or Mobile Number.
3. Click the **Actions > Edit** button next to their name.
4. Update their Name, Mobile, Email, or Residential Address (City, Pincode).
5. To reset their password, simply type a new password in the password field.
6. Click **Update Member** at the bottom.

Modification 3: Reviewing & Approving KYC Documents

ACTION 3 How to Approve Bank & PAN Details for Payouts

1. Open **MLM Management > Members**.
2. Filter the list by **KYC Status > Pending**.
3. Click **KYC Review** next to the member.
4. Verify that the Account Holder Name matches their legal PAN card name.
5. Click **View Cheque Image** to confirm the IFSC code and Bank Account number.
6. Click the green **Approve KYC** button. Their status changes to **Approved** and they become eligible for direct bank transfers during payout cycles!

4. How to Check Commissions & Process Payouts

Commission earnings are calculated automatically whenever a customer places an order on Kharchdaan.com:

The Direct Selling PV Formula Explained

📊 **Active Formula:** Commission = `(Order Amount / 3000) × Level PV Rate × 20%`
- **Levels 0 to 7 (High Level):** 13.5 PV points per unit.
- **Levels 8 to 19 (Low Level):** 0.75 PV points per unit.
- Commission income is distributed upline across all 20 levels in the hierarchy.

Step-by-Step: How to Run a Payout Cycle

PAYOUT STEP 1 Open the Payout Manager

Go to **MLM Management > Payouts** (`/admin/mlm/payouts`). You will see previous payout cycles, total commission paid, and pending balances.

PAYOUT STEP 2 Generate New Cycle

Click **+ Generate Payout Cycle**. Choose the date period (e.g. 1st to 15th, or 1st to 30th). The system scans all completed orders during that period and sums up the exact earnings for each KYC-approved distributor.

PAYOUT STEP 3 Download Bank NEFT / IMPS Excel File

Inside the generated cycle, click **Export Bank Sheet (Excel/CSV)**. You will get a clean spreadsheet containing:

- Beneficiary Name
- Bank Account Number
- IFSC Code & Bank Name
- Net Payable Rupee Amount (after TDS deduction)

Upload this file directly into your corporate net-banking portal (HDFC, ICICI, SBI, etc.) to disburse payments.

PAYOUT STEP 4 Upload Payment Proof & Mark as Paid

Once the bank transfers are complete, upload the bank UTR confirmation receipt and click **Mark Cycle as Paid**. The system records the ledger entries, updates distributor wallets, and sends payment confirmations.

Technical Support & Master Excel Sync

If a new Excel master workbook is provided by the client in the future:

💾 **Automated Master Excel Import:**
1. Place the new file at: `backend/excel sheetr/Aaradhya Gruh Udyog - Master Data.xlsx` .
2. Run the command: `php artisan mlm:import-excel` .
The command parses customers, validates 1:3 placement slots, updates transactions, and syncs the database.
